Activate your license for the connector

The Activate License screen includes the following option:

1. **Request License:** From this option you need to send the request to the support team for the license based on the product. A pop-up will appear on the screen with mandatory fields like Tenant Name(s), Email ID, and Product Selection. The [Instance URL] will auto-populate.

Select the product Fusion Magento Connector V3 from the drop-down. If you want multiple products to be activated, you can select multiple products. The * sign indicates mandatory fields.

After entering the relevant details, you will receive an email from the Kensium Support team with the License Key.
