

# Kensium License

- Upon setting up **[Kensium License Setup]**, navigate to **[Kensium License]** under **[Preferences]**, the Acumatica platform directs you to the page for **[Kensium License]** screen.

Kensium License

The screenshot displays the Acumatica user interface. At the top, there is a blue header bar with the 'Acumatica' logo, a search bar, and user information including 'Revision Two Products Products Wholesale' and the date '9/7/2023 1:35 AM'. On the left, a sidebar lists various modules: Finance, Banking, Payables, Receivables, Sales Orders, Purchases, Inventory, Dashboards, Magento Connector, and Kensium License. The 'Kensium License' module is highlighted in blue, with a red arrow pointing to it. The main content area is titled 'Kensium License' and features a navigation bar with buttons: 'REQUEST LICENSE', 'ACTIVATE LICENSE', 'UPGRADE LICENSE', and 'REFRESH PRODUCTS'. Below this is a 'CLEAR LICENSE' button and a table with columns for 'Product Name', 'Status', 'License Key', 'Effective Date', and 'Expiry'. The table is currently empty, and a message box in the center states 'No records found.' with a document icon and a close button.
