

Syncing into BigCommerce Front End

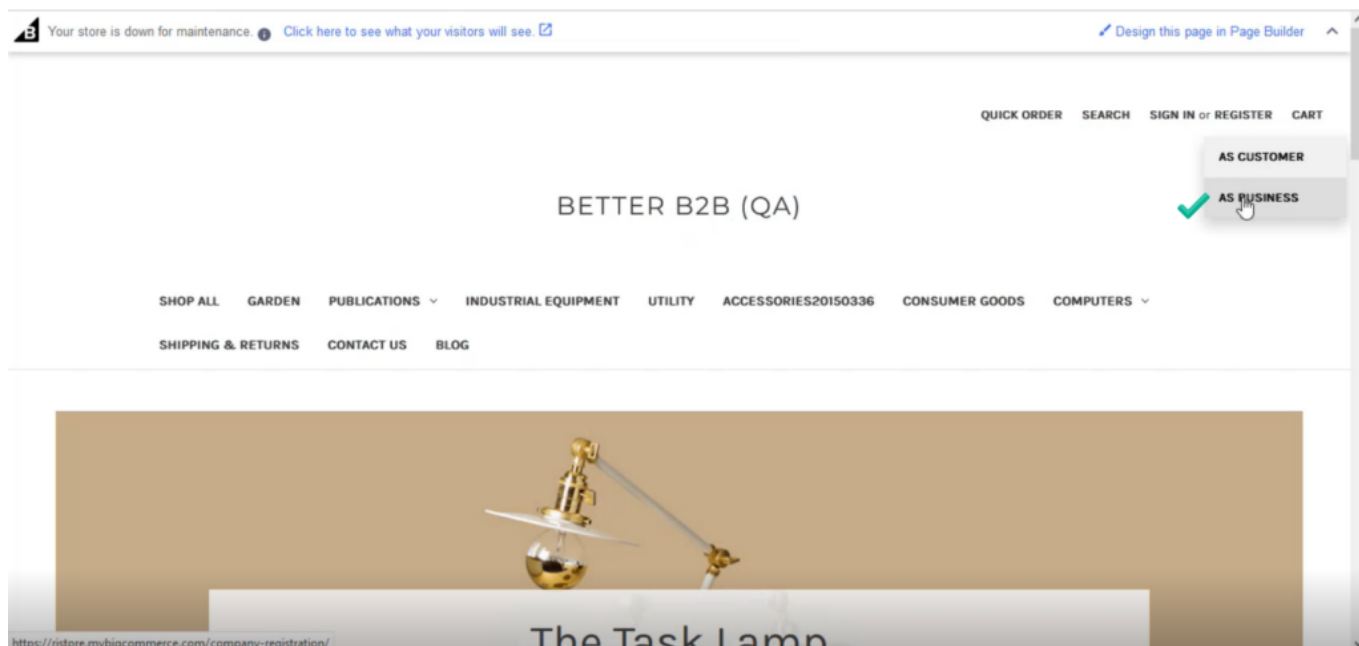

Click on the [View Store] option at the top left-hand corner under BigCommerce.

You will be redirected to the front end of BigCommerce from where you can register as a Business.

Login to BigCommerce as a Business

Upon clicking on [As Business] a registration form for B2B Account details will appear and you need to fill in the relevant details.

Login screen in the front end

 In the B2B application you will also be able to view the [Company] with the details which you have created in the front end of the application.

The screenshot displays the 'Company Detail' page in the B2B application. The interface includes a sidebar with navigation options like 'Dashboard', 'Companies', 'Invoices', 'Quotes', 'Payment Mapping', 'Users', 'Queues', 'Logs', 'Acumatica Configurations', and 'Settings'. The main content area shows the 'Company Detail' for 'TCS', which is marked as 'APPROVED'. The 'Basic Information' tab is active, displaying fields for 'Company Name *' (TCS), 'Acumatica Customer Id *' (C000000289), 'Company Email *' (tcs@mailinator.com), 'Business Type' (Default), and 'Customer Class *' (Related Company B2B). A 'Sync Company To Acumatica' button is located in the top right corner, and a 'SAVE' button is at the bottom right.

Basic Company Information in the B2B app

The [Company Admin] which you have entered at the time of registration in the front end is displayed under the [Company User].
