pabuket	Objects can be public	US East (Ohio)	May 22, 2019 1:02:20 PM GMT+0530
qabucketname	Objects can be public	Asia Pacific (Mumbai)	Jun 18, 2019 2:54:23 PM GMT+0530
sainwacount	Objects can be public	US East (Ohio)	May 17, 2019 5:55:14

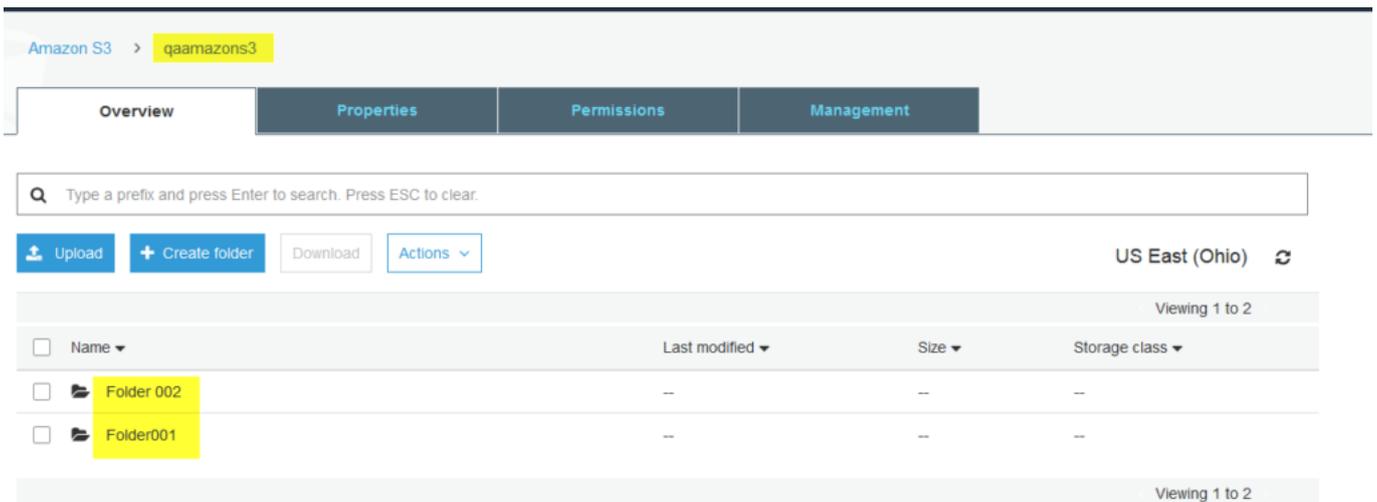

Created Bucket

Step2: Click on **[Create folder]**.

In Each button you have the possibility to add multiple folders.

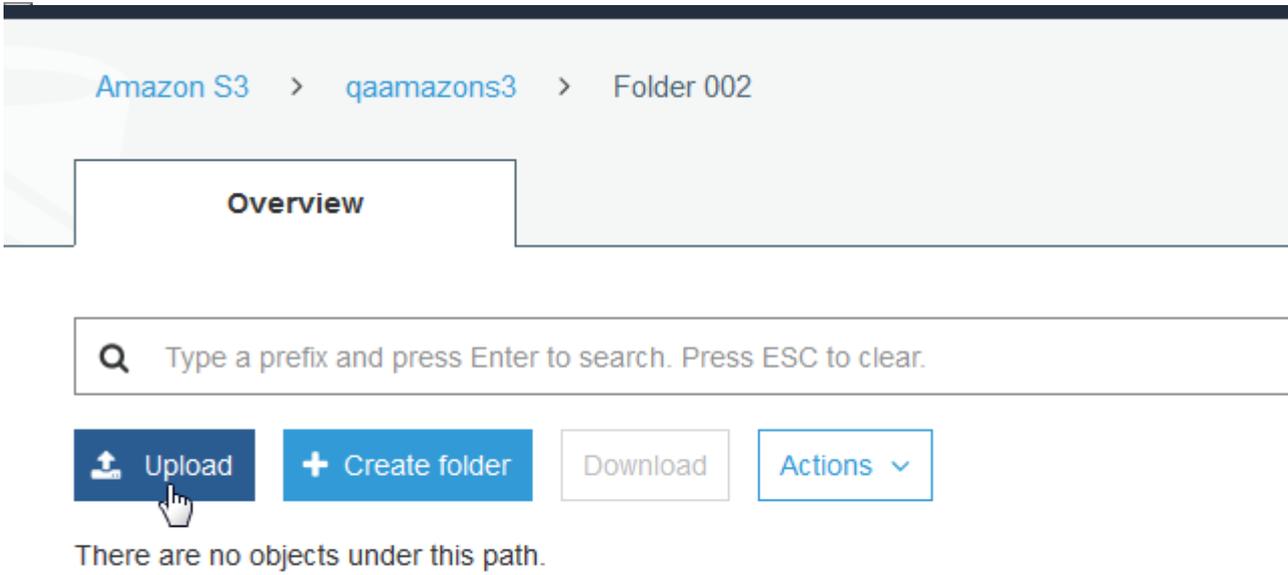

Create Folder

Create Folder

Step3: You can upload as many images as required in each folder, but you must ensure that the image prefix name matches with the inventory ID. In Acumatica, only the Amazon picture will be linked to the appropriate product if the inventory name is "Wallpaper" and the image names are Wallpaper001, Wallpapers, or Wallpaper555.

Step4: You can select the required folder to upload the images.

Amazon S3 > qaamazons3 > Folder 002

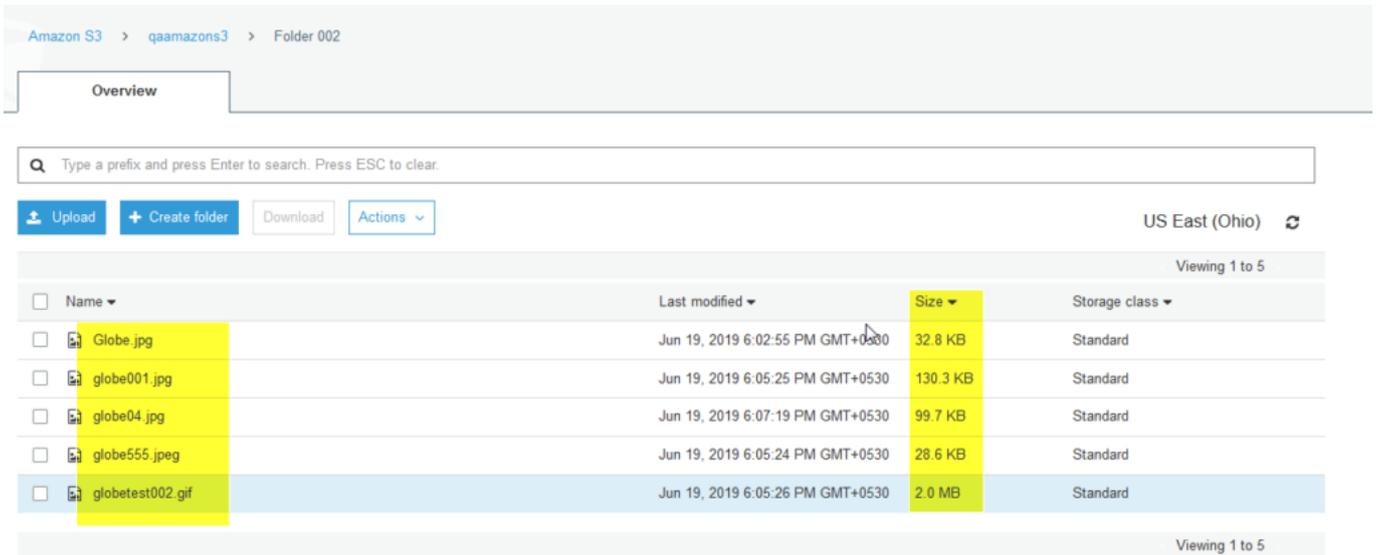

Overview

🔍 Type a prefix and press Enter to search. Press ESC to clear.

There are no objects under this path.

Upload Folder

You can add any type of image, regardless of size, beneath the folder.

Amazon S3 > qaamazons3 > Folder 002

Overview

🔍 Type a prefix and press Enter to search. Press ESC to clear.

US East (Ohio) 🔄

Step6: You need to search for **[Inventory Preferences]** in Global search bar and then click on

[Inventory Preferences] under Preferences.

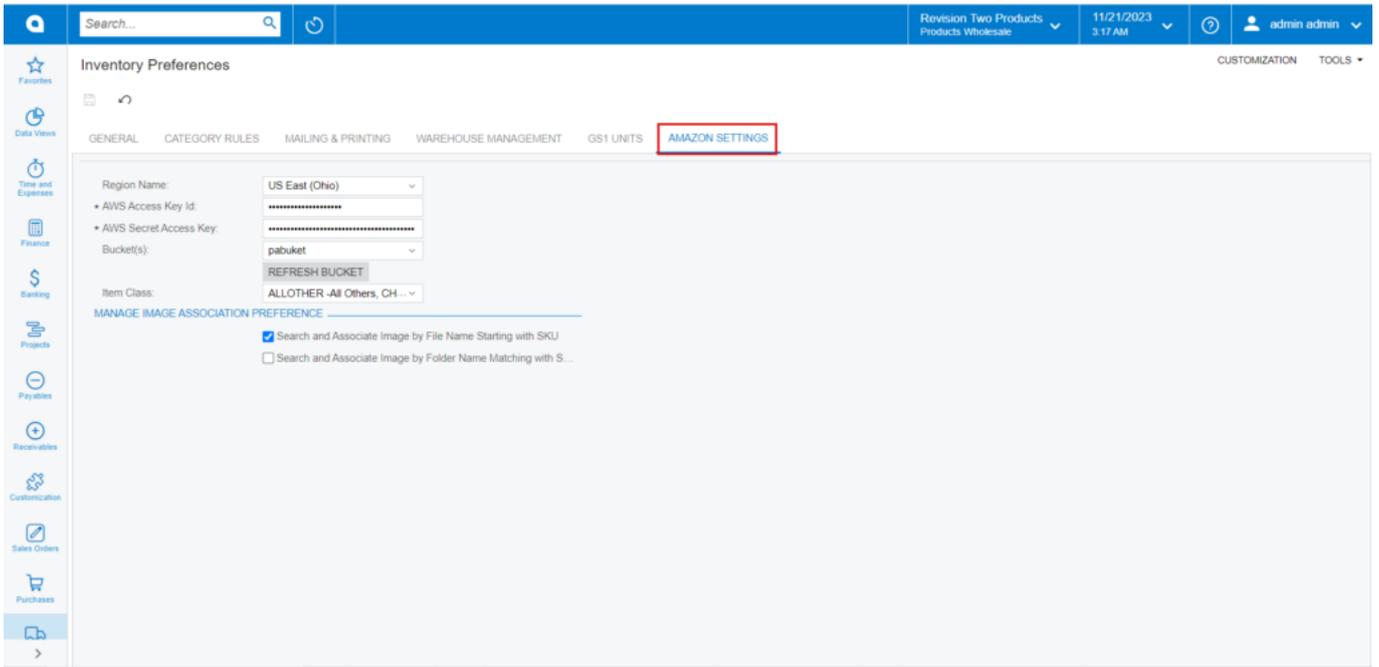

The screenshot shows the Fusion CommercePro user interface. At the top, there is a search bar containing the word 'Inventory'. Below the search bar, the main menu is displayed with several categories: 'MENU ITEMS (44)', 'TRANSACTIONS AND PROFILES', 'HELP TOPICS', and 'FILES'. Under the 'MENU ITEMS (44)' category, there are sub-sections for 'Data Views', 'Inquiries', 'Sales Orders', 'Reports', and 'Purchases'. The 'Inquiries' section is expanded, showing items like 'Available Quantity by Inventory ...'. The 'Reports' section is also expanded, showing 'Sales Order Details by Inventor...' and 'Shipment Details by Inventory It...'. The 'Purchases' section is expanded, showing 'Vendor Inventory' and 'Reports' (Purchase Order Details by Inven... and Blanket Purchase Order Details ...). The 'Inventory' section is expanded, showing 'Physical Inventory', 'Inquiries', 'Printed Forms', and 'Preferences'. The 'Preferences' section is highlighted with a red box, and it contains the 'Inventory Preferences' item, which is also highlighted with a red box.

Inventory Preferences

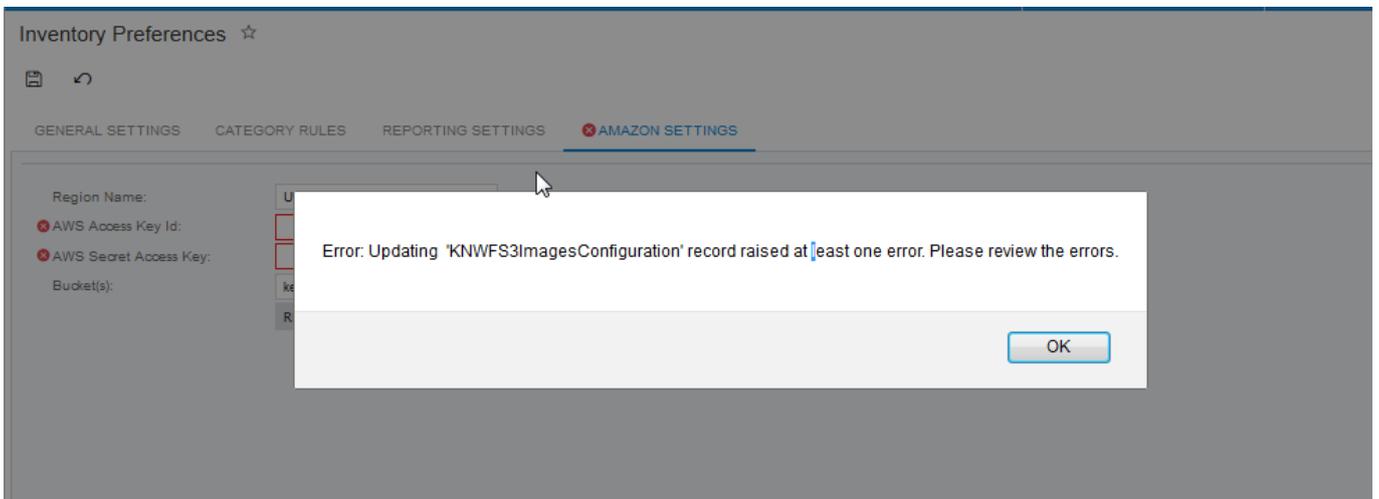

- Click on **[Amazon Settings]** tab then you need to fill out the details below.
 - Region Name: Select the region from drop-down.
