

# Stock Items

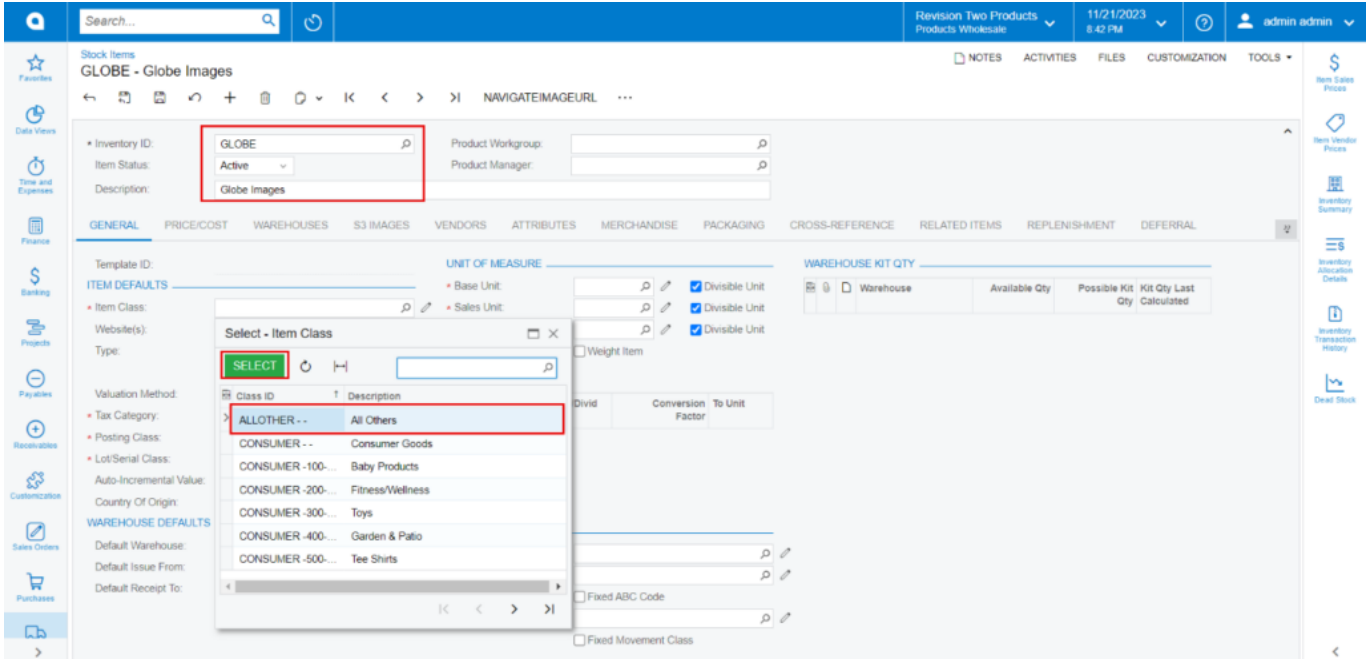

- You must navigate to the left panel of Acumatica and click on **[Inventory]** and then click on **[Stock Items]** under **[Profiles]**.

The screenshot shows the Acumatica Inventory management interface. The top navigation bar includes a search field, a refresh icon, and user information (Revision Two Products, Products Wholesale, 11/21/2023 8:38 PM, admin admin). The main content area is titled 'Inventory' and contains several sections: 'New Adjustment', 'New Transfer', 'New Kit Assembly', and 'New Stock Item'. Below these are sections for 'Transactions', 'Physical Inventory', 'Inquiries', and 'Reports'. The 'Profiles' section is expanded, and 'Stock Items' is highlighted with a red box. The left sidebar also has the 'Inventory' icon highlighted with a red box.

## Stock items

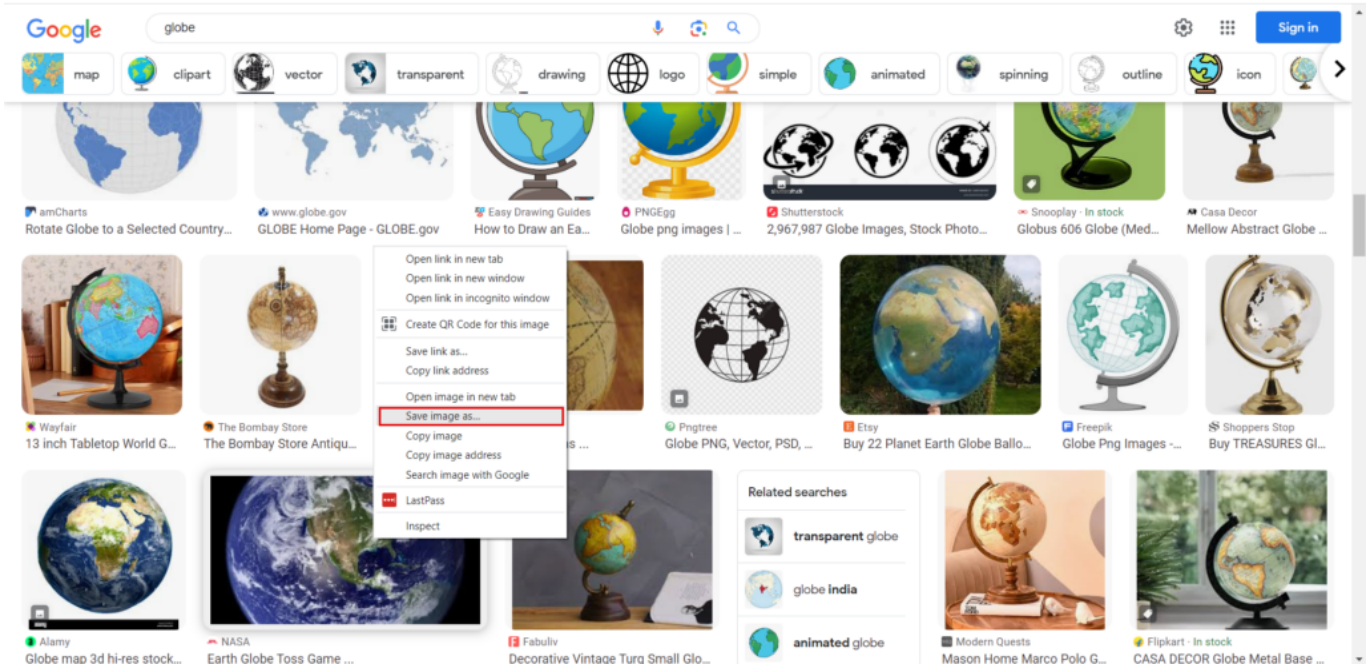

- Click on the **[+]** icon, then you will be redirected to the stock items screen.
- You need to create an **[Inventory ID]**.
- Select the Item status as **[Active]** from the drop-down.
- You can add the **[Description]**.
- Select the **[Item class]** as All Others from the options menu.
- Click on **[Save]**.

The screenshot shows the Fusion CommercePro interface for a stock item named 'GLOBE - Globe Images'. The 'S3 IMAGES' tab is active, and a 'Select - Item Class' dialog box is open, highlighting the 'ALLOTHER - - All Others' class. The dialog box lists several other classes, including 'CONSUMER - - Consumer Goods', 'CONSUMER -100... Baby Products', 'CONSUMER -200... Fitness/Wellness', 'CONSUMER -300... Toys', 'CONSUMER -400... Garden & Patio', and 'CONSUMER -500... Tee Shirts'. The 'Inventory ID' is 'GLOBE' and the 'Item Status' is 'Active'. The 'Description' is 'Globe Images'.

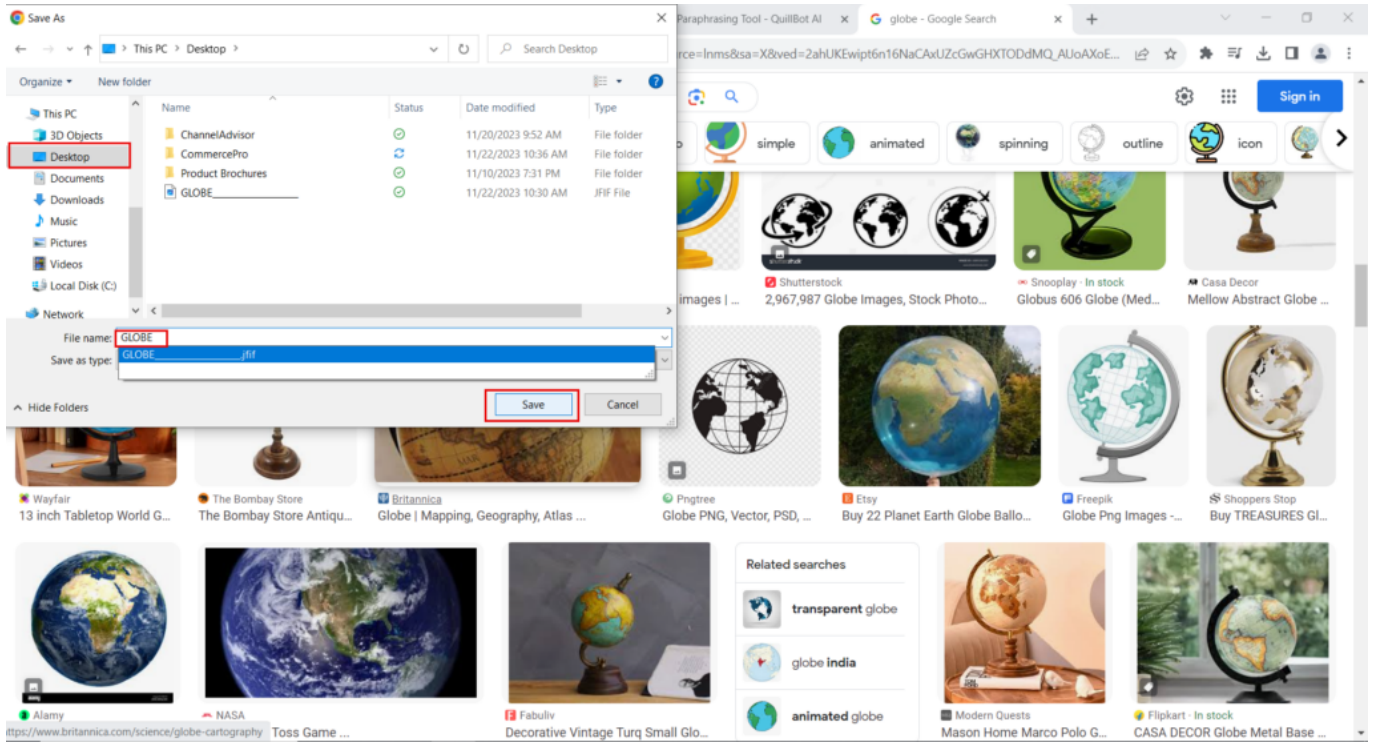

## Stock items

- Click on **[S3 IMAGES]** tab.
- Copy the **[Inventory ID]**.
- Search for the **[Image]**.

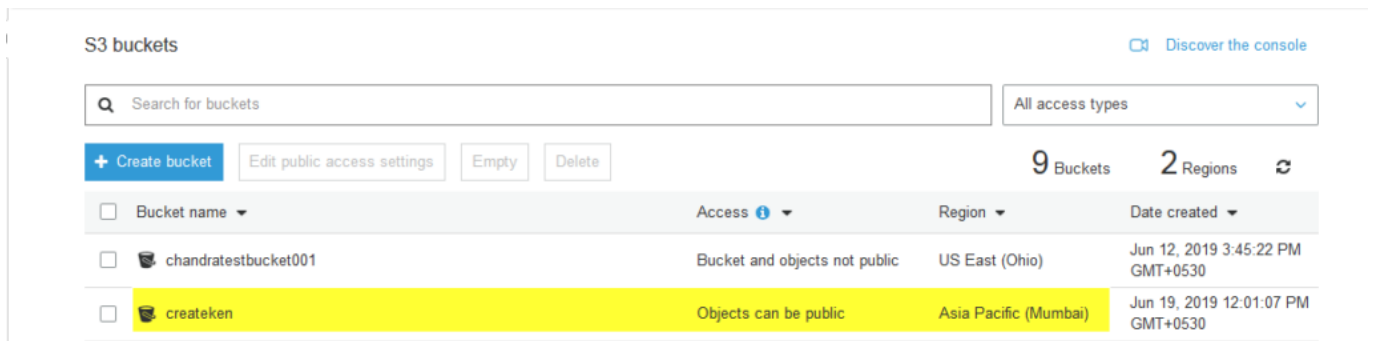

### Search for image

- Click on **[Save As]**.
- Since you choose the checkbox as the file name, the Inventory name should match the file name.
- You need to save the file.

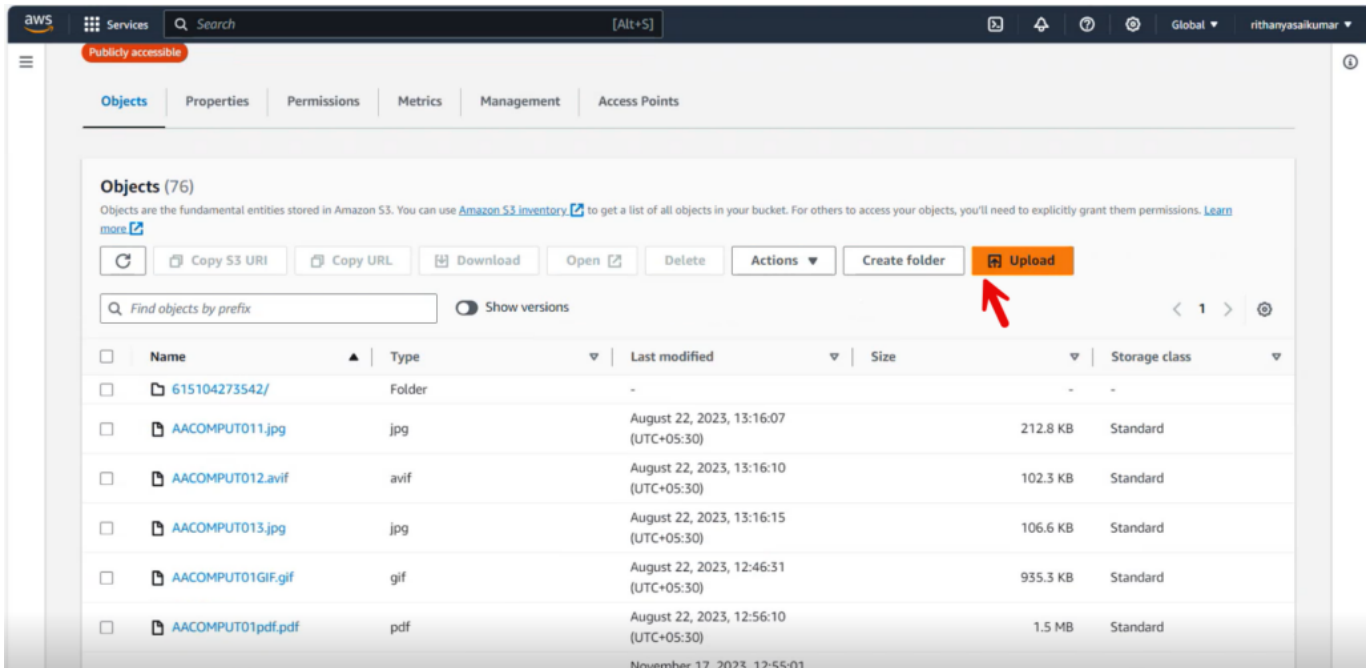

### Save Image AS

- You navigate to Amazon site, select the **[Bucket]**.

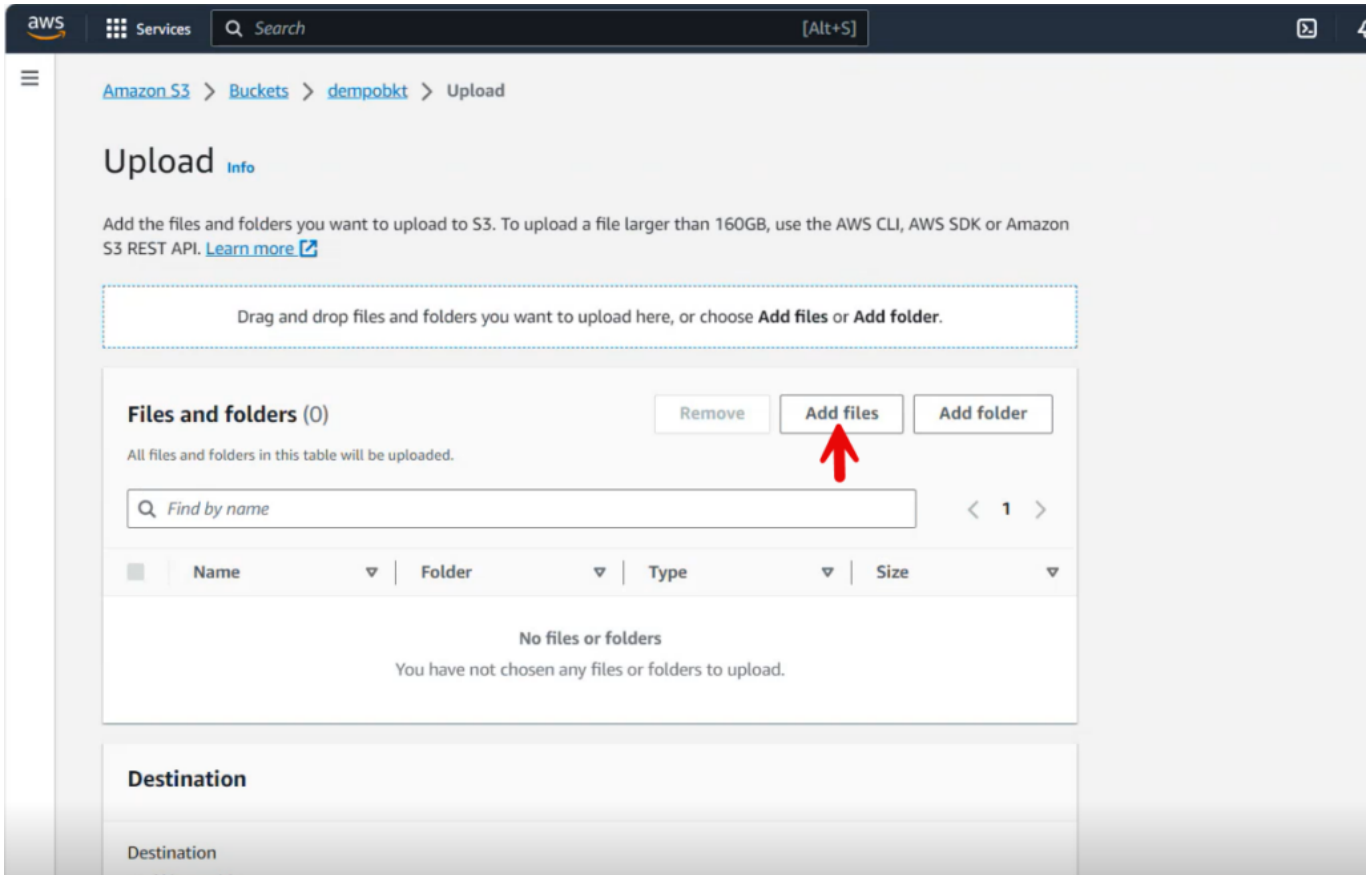

### Select Bucket

- Click on **[Upload]**.

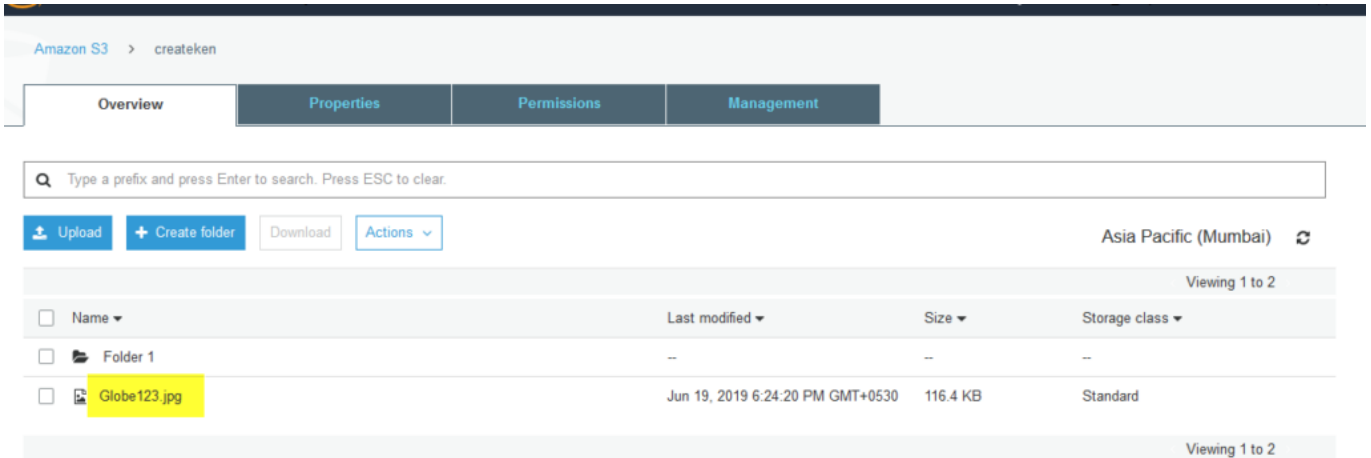

## Upload File

- Click on **[Add Files]**.

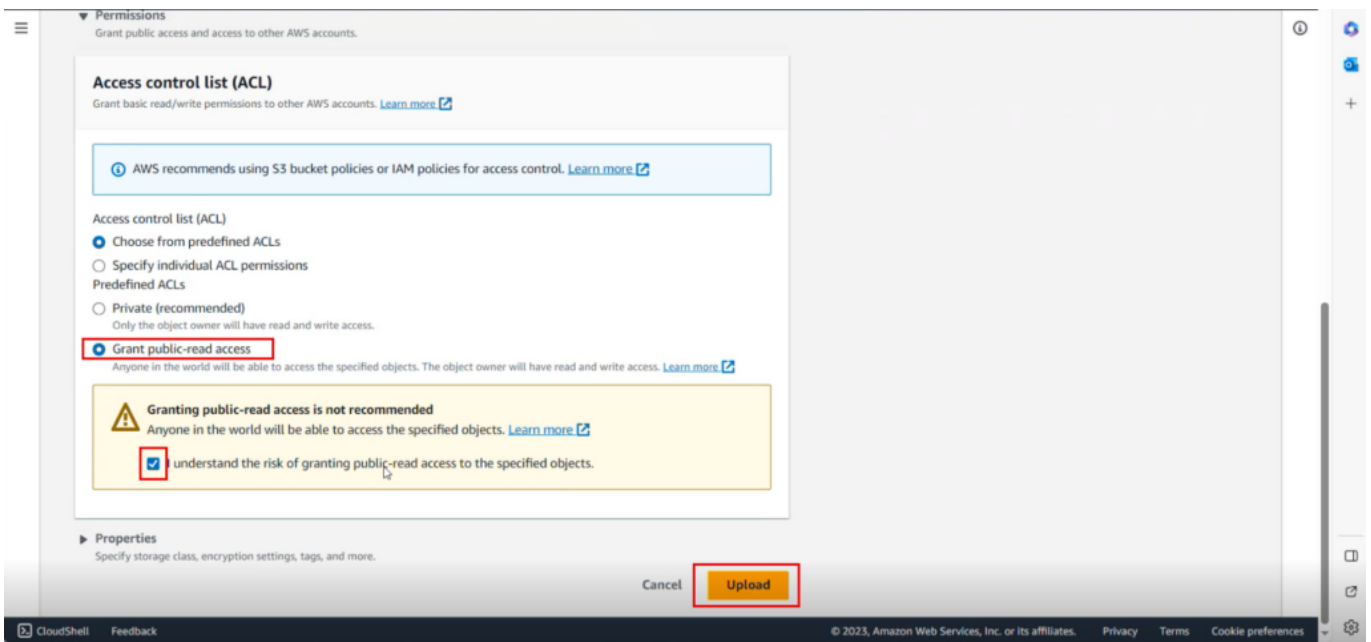

### Add File

- Add the File from Desktop.

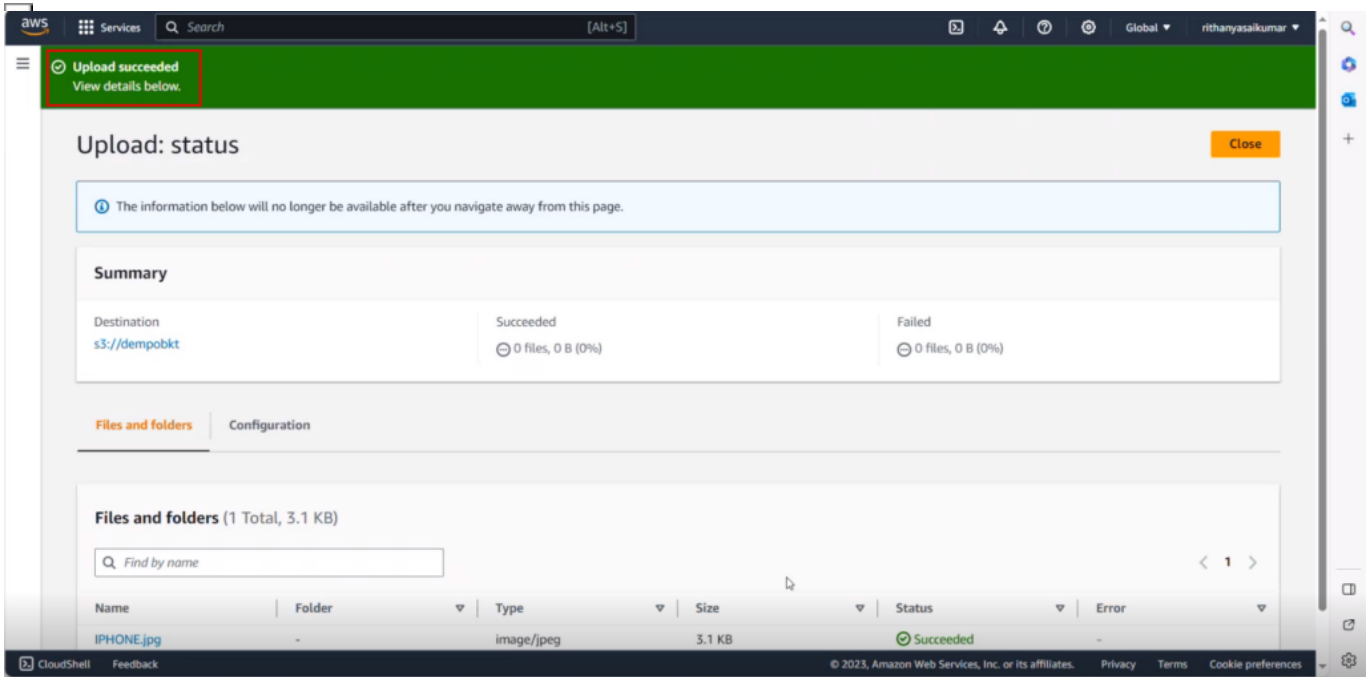

## Image

- You need to Activate the **[Grand Public-read access]** and **[I understand]** radio buttons.
- Click on **[Upload]**.

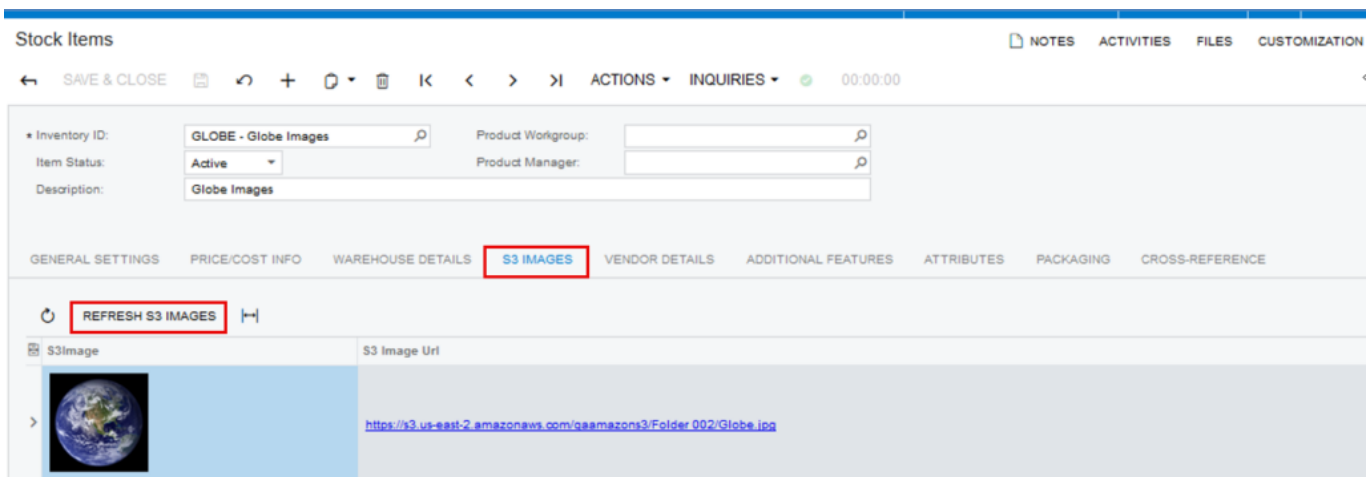

## Upload

- You can view a success message as **[Upload succeeded]** on the screen.

### Upload Successful

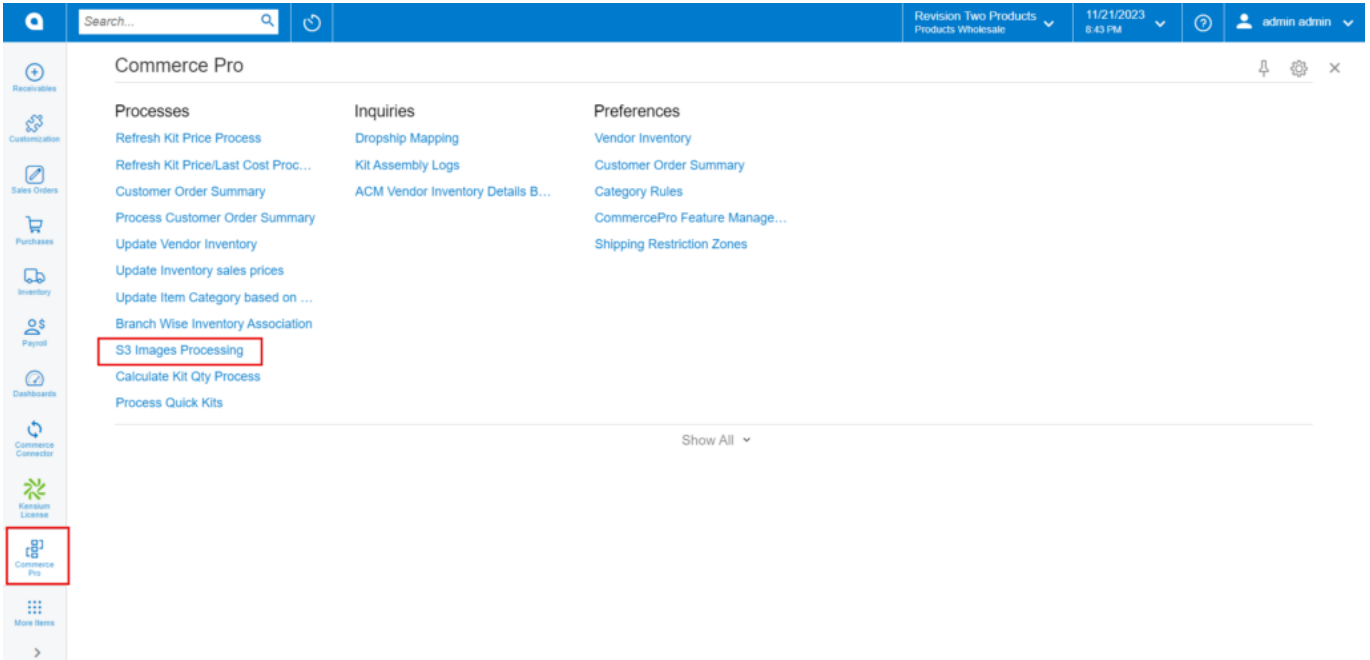

- You must navigate and refresh the stock items screen then click on **[REFRESH S3 Images]** in S3 Images tab.

### Image

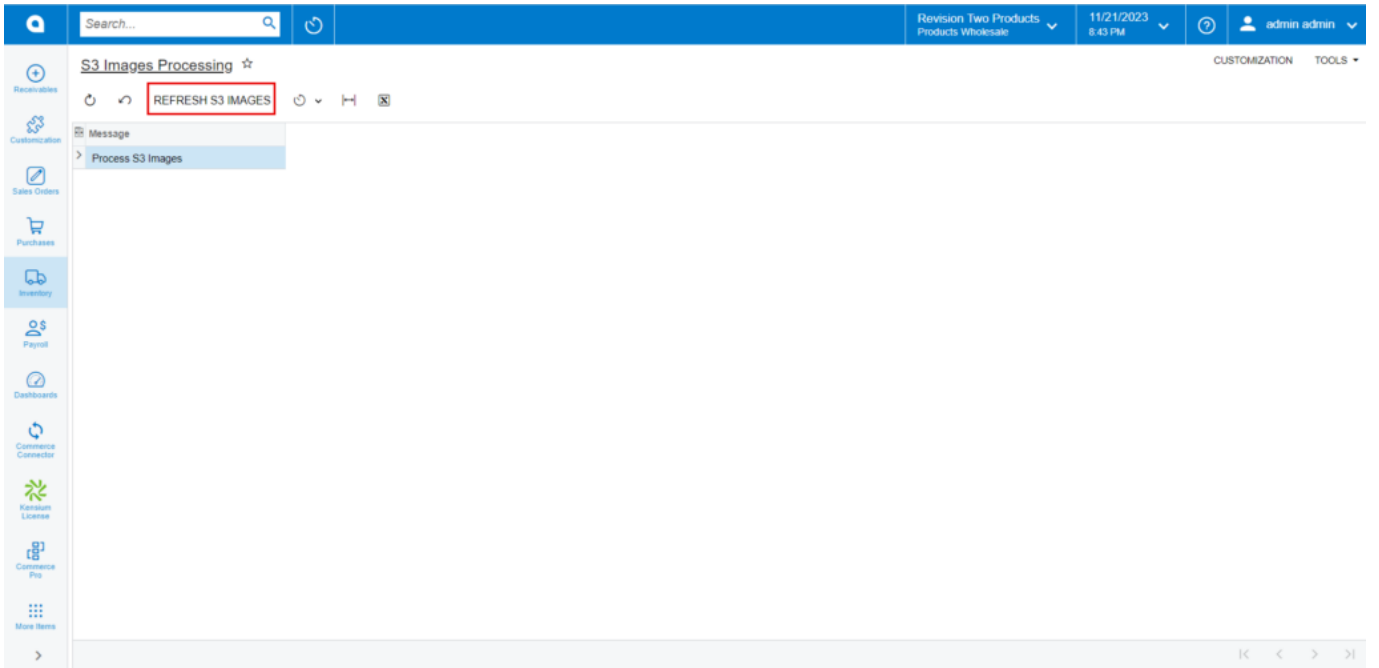

- You can also add multiple images at a time, after uploading multiple images, select **[CommercePro]** from the Acumatica left side panel, then click on **[S3 Images Processing]** from the **[Processes]** menu.

The screenshot shows the Acumatica CommercePro interface. The top navigation bar includes a search field, a refresh icon, and user information (Revision: Two Products, Products Wholesale, 11/21/2023 8:43 PM, admin admin). The left sidebar contains various modules, with 'CommercePro' highlighted in a red box. The main content area displays a list of processes under the 'Processes' tab, with 'S3 Images Processing' highlighted in a red box. Other processes listed include Refresh Kit Price Process, Refresh Kit Price/Last Cost Proc..., Customer Order Summary, Process Customer Order Summary, Update Vendor Inventory, Update Inventory sales prices, Update Item Category based on..., Branch Wise Inventory Association, Calculate Kit Qty Process, and Process Quick Kits. A 'Show All' dropdown is visible at the bottom of the list.

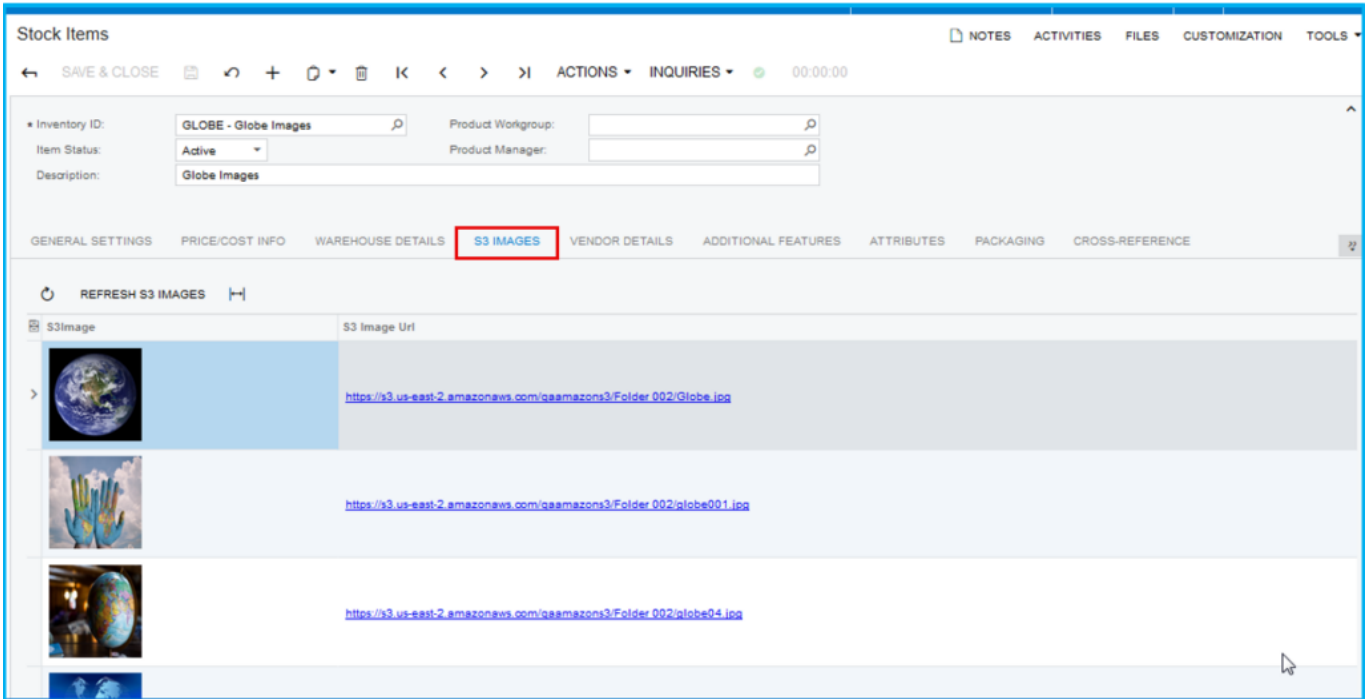

## CommercePro

- Click on **[Refresh S3 IMAGES]**.

The screenshot shows the Fusion CommercePro administration interface. At the top, there is a search bar and navigation tabs for 'Revision Two Products' and 'Products Wholesale'. The user is logged in as 'admin admin' on 11/21/2023 at 6:43 PM. The main content area is titled 'S3 Images Processing' and contains a 'Message' section with a 'Process S3 Images' button. A red box highlights the 'REFRESH S3 IMAGES' button in the top navigation area. The left sidebar contains various menu items like 'Reorders', 'Customization', 'Sales Orders', 'Purchases', 'Inventory', 'Payroll', 'Dashboards', 'Commerce Connector', 'Fusion License', and 'Commerce Pro'.

Click on Bucket

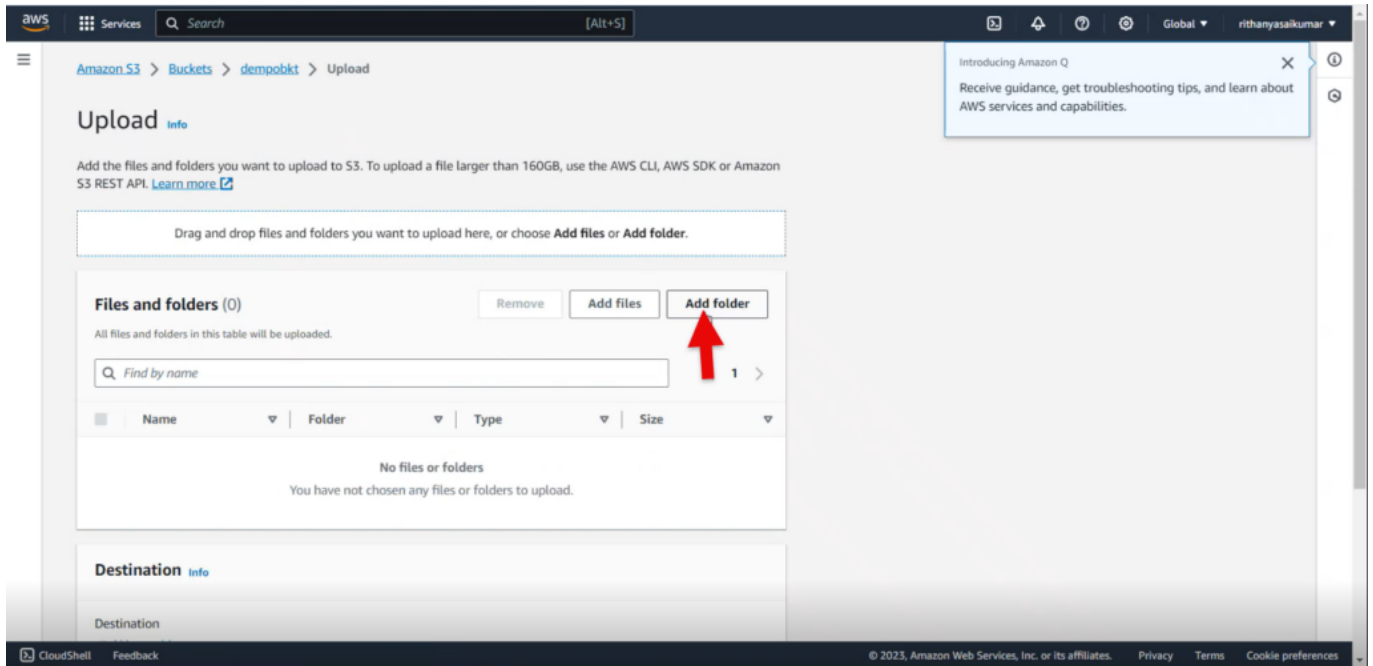

- Click on **[Upload]**.

## Upload

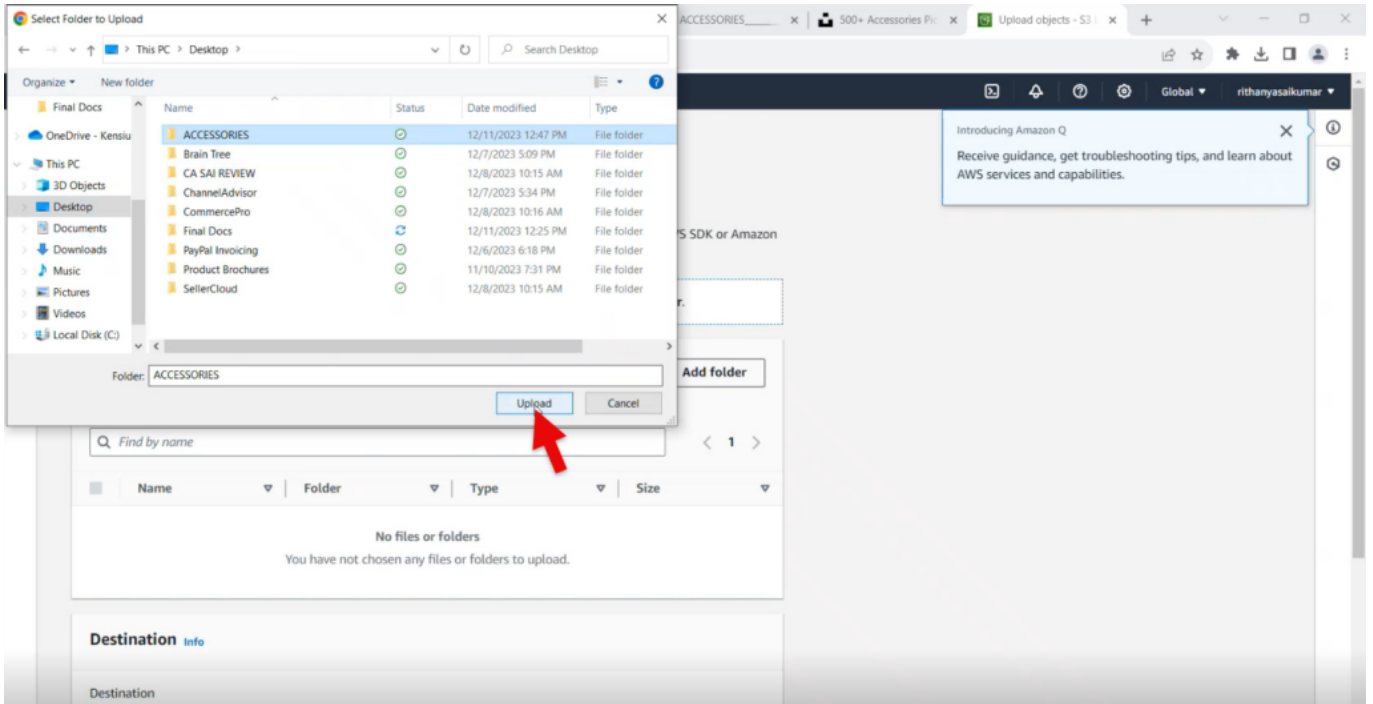

- Click on **[Add Folder]**.

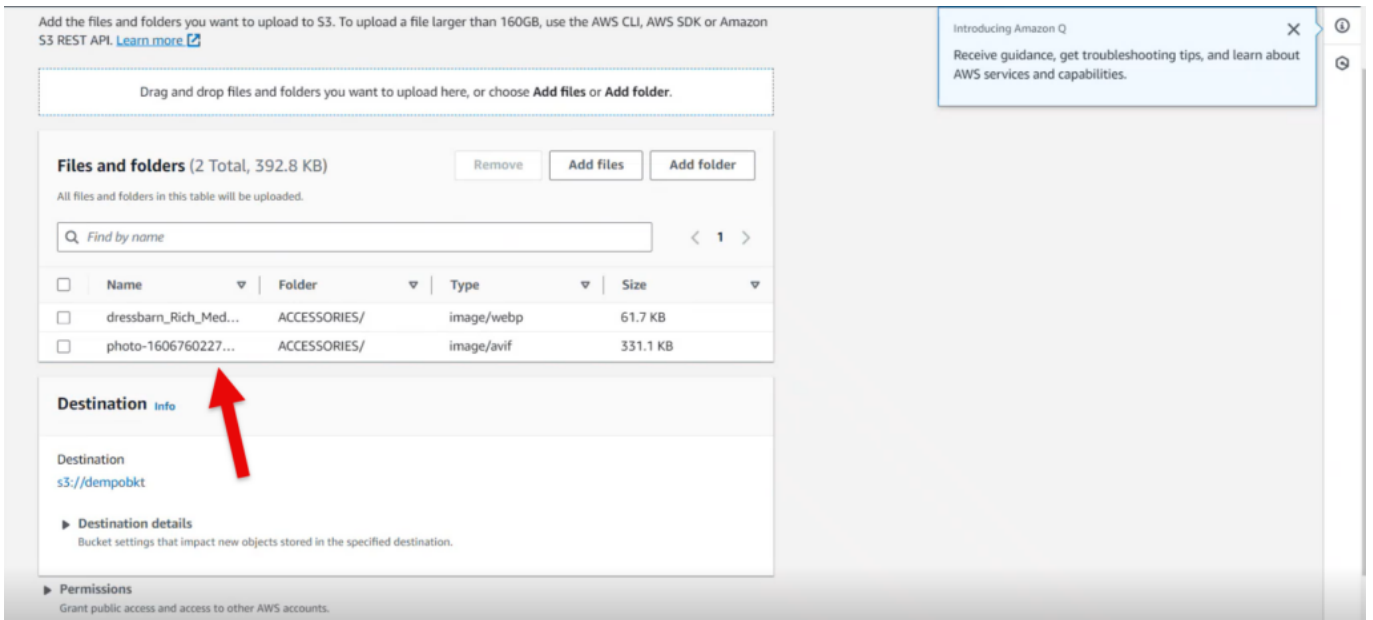

Click Folder

- Add the File from Desktop.

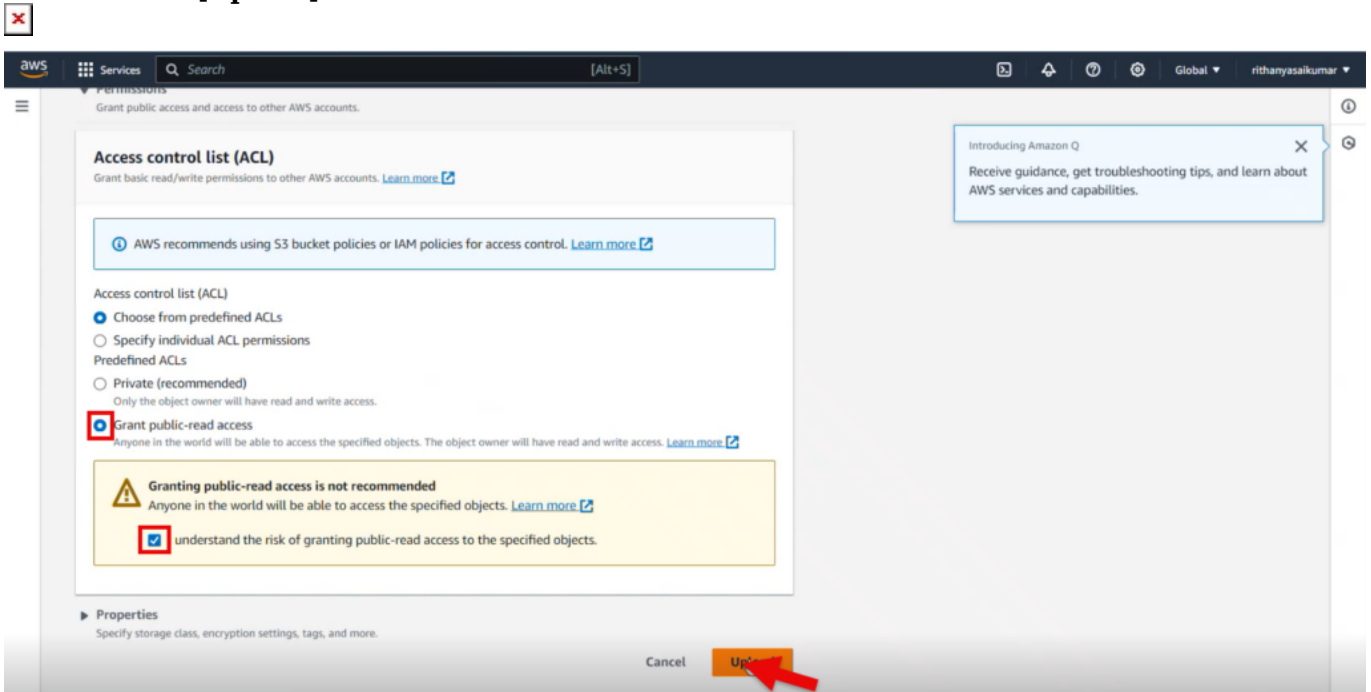

Select folder then Upload

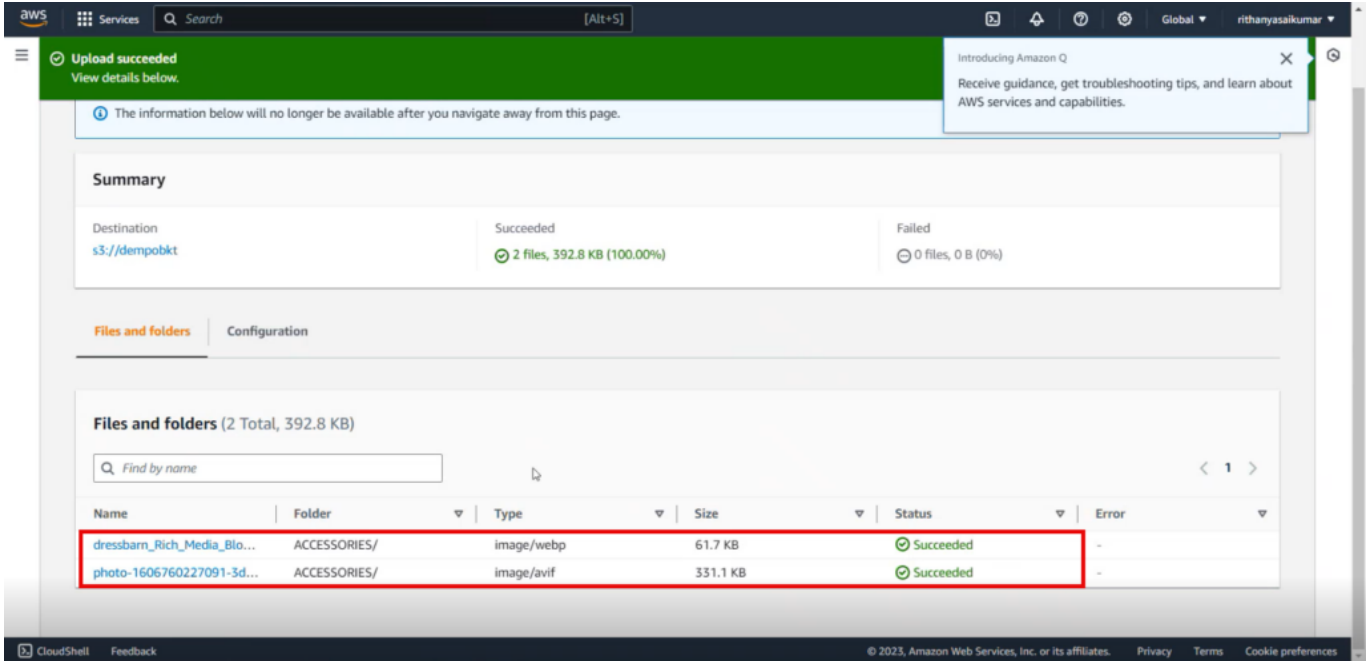

Images

- You need to Activate the **[Grand Public-read access]** and **[I understand]** radio buttons.
- Click on **[Upload]**.

### Grant Public-read Access

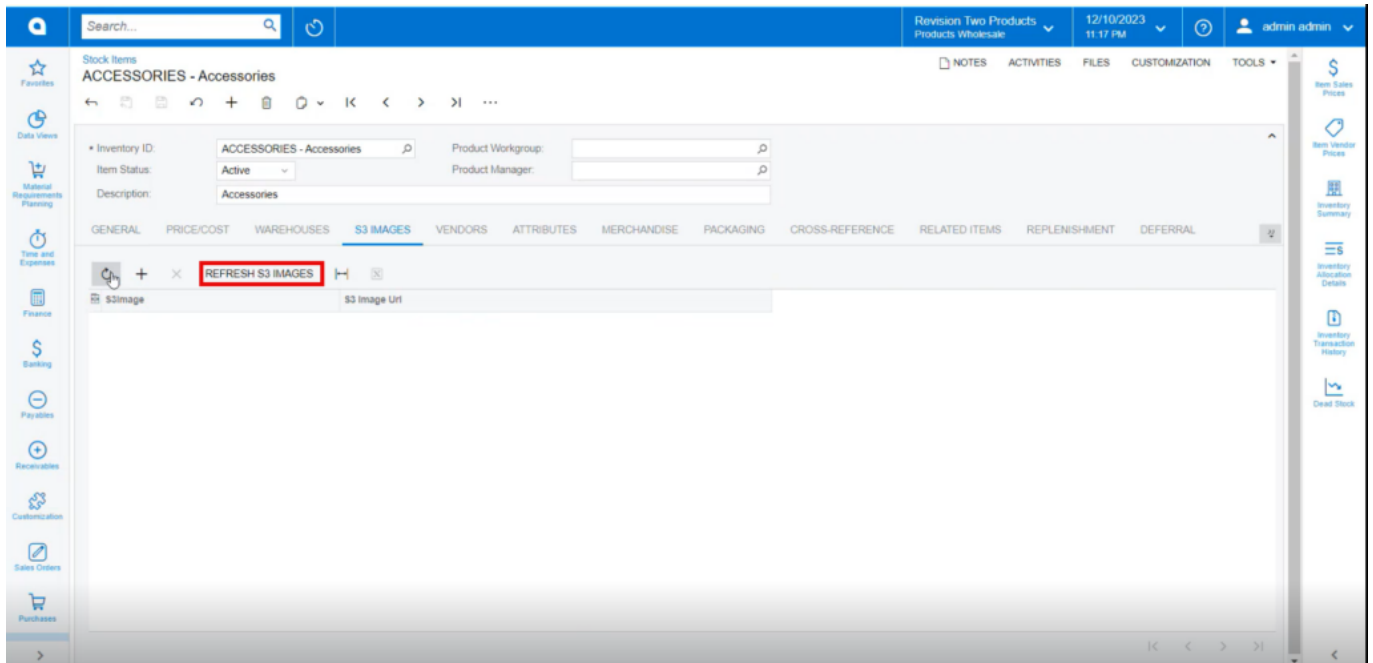

The screenshot shows the AWS S3 console interface. At the top, there is a green notification bar that says "Upload succeeded" with a link to "View details below." Below this, a summary section shows the upload status: "Destination: s3://dempobkt", "Succeeded: 2 files, 392.8 KB (100.00%)", and "Failed: 0 files, 0 B (0%)". The "Files and folders" tab is selected, showing a table of uploaded files. Two files are listed, both with a status of "Succeeded":

Name	Folder	Type	Size	Status	Error
dressbarn_Rich_Media_Blo...	ACCESSORIES/	image/webp	61.7 KB	Succeeded	-
photo-1606760227091-3d...	ACCESSORIES/	image/avif	331.1 KB	Succeeded	-

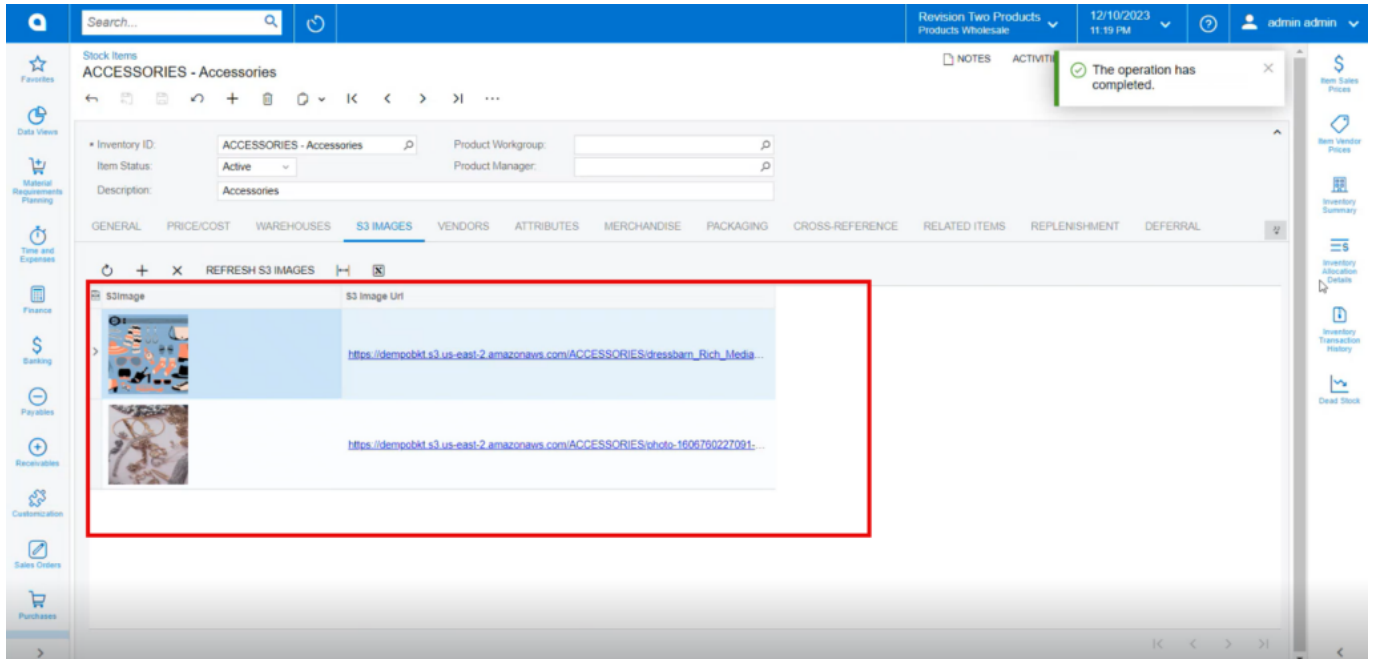

### Images updated

- You must navigate and refresh the stock items screen then click on **[REFRESH S3 Images]** in S3 Images tab.

## Refresh S3 Images

- You can view the uploaded images.

### Inventory Preferences

- Click on the link and the image will pop up.
