

Accessing Discounts in CKITs

To access the Discount module, click on the **[Receivable]** on the left panel and go to **[Preferences]**. You will get an option for **[Discount Code]**.

Navigate to discount code as **Receivable -> Preferences -> Discount Code**

The screenshot shows the Fusion Customizable Kits interface. The top navigation bar includes a search bar, a refresh icon, and user information. The left sidebar contains various modules, with 'Receivables' highlighted. The main content area is titled 'Receivables' and displays a grid of options. The 'Preferences' section is expanded, showing 'Discount Codes' as a selectable option. Red boxes highlight the 'Receivables' module in the sidebar, the 'Preferences' section in the main content area, and the 'Discount Codes' option within the Preferences list.

Click on [Discount Codes] under Preferences

By clicking on this option, you will be redirected to the Discount Creation screen.
