Alert Message on decreasing the quantity

- **8**. On the Customizable Kit Specification click on **A** to Save.
 - 9. The pop-up will be closed, and you can view a new screen.
 - 10. The components added in the KIT specification will explode and display in the Sales Order line details. [i.e., Parent Items will automatically be deleted, and components will be displayed in the Sales Order Lines].
 - 11. The Parent Item, Kit Qty., and Kit Unit Price will be displayed in the Kit Inventory ID, Kit Qty., and Kit Unit Price columns in the browser as shown in the figure.

þ

(((Component Ordered Qty *Component Sales Price) *(KIT Order Qty * KIT Sales Price)))/ (Sum of Component Sales Price)/Component Ordered Qty.
