

# Managing Kit Specifications

After you have created the Non-Stock, you need to navigate to Kit Specification. To manage the Kit Specifications, follow these steps.

1. Go to the **[Inventory]** section on the left panel.
2. Click on **[Inventory]**.
3. Under Profiles you will get an option **[Kit Specification]**.

Kit Specifications under the Profile option

By clicking on the [Kit Specifications], you will be redirected to the following screen.
