

Print Screens

1. Item Print Screen

The item print allows you to select a list of items to print labels for. You can enter in the item or search. By selecting Add Item it will build the list in the grid below. When ready, select print.

Inventory ID	Description	Serial/Lot Info	Price	Quantity
400	HP All-in-One Desktop		404.00	1
401	Dell Inspiron 1460 14.6 inch All in One		416.00	1
402	Wintel Mini PC with Intel 2170M		102.00	1

Item Print

2. Serial/Lot Item Print Screen

When printing with lot/serial numbers after selecting the item through the search you can select the specific log/serial number of the item from the drop down menu.

Inventory ID	Description	Serial/Lot Filter	Price	Quantity
404	Item with serial tracking		11.25	1

Serial/Lot Item Print

3. Bin Print Screen

Search and select single or multiple bins to print in succession. Select WH then the bins from the drop-down. To select multiples hold down the control key. Select Add Bin to add to the grid and print.

Bin ID	Description	Quantity
C120	C120	1
B120	B120	1
A120	A120	1
B120	B120	1

Bin Print

4. PO Item Print Screen

Select the purchase order number by searching/scanning in the PO Number field. Searching (can be done by PO Number or Vendor) will provide you with a drop-down list where you can select the PO to add to the grid. Or you can scan the item and add the Qty from the main screen.

The screenshot shows a web application window titled "Fusion WMS - PO Item Print". It has a sidebar with "New", "Edit", "Purchase Order", and "Configuration" options. The main area contains a search bar for "PO Number" and "Vendor", a "Search" button, and a table with the following data:

PO #	Inventory ID	Description	UOM	Order Qty	Unit Price	Row Qty
000011	00078	Amstel Light Beer 12 Oz Bottle	BOTTLE	25.00	2.00	4

At the bottom, there are "Print" and "Close" buttons.

PO Item Print

5. PO Receipt Print Screen

Printing via PO Receipt allows you to print only the labels received. Also popular for customers with Serial/Lot items, Fusion will break down each serial/lot number on the receipt and give you the option of how many to print of each.
