# Steps to Verify the Published PayPal Invoicing Packages

Once the customization package is installed, the connections must be established between Acumatica and the PayPal Invoicing.
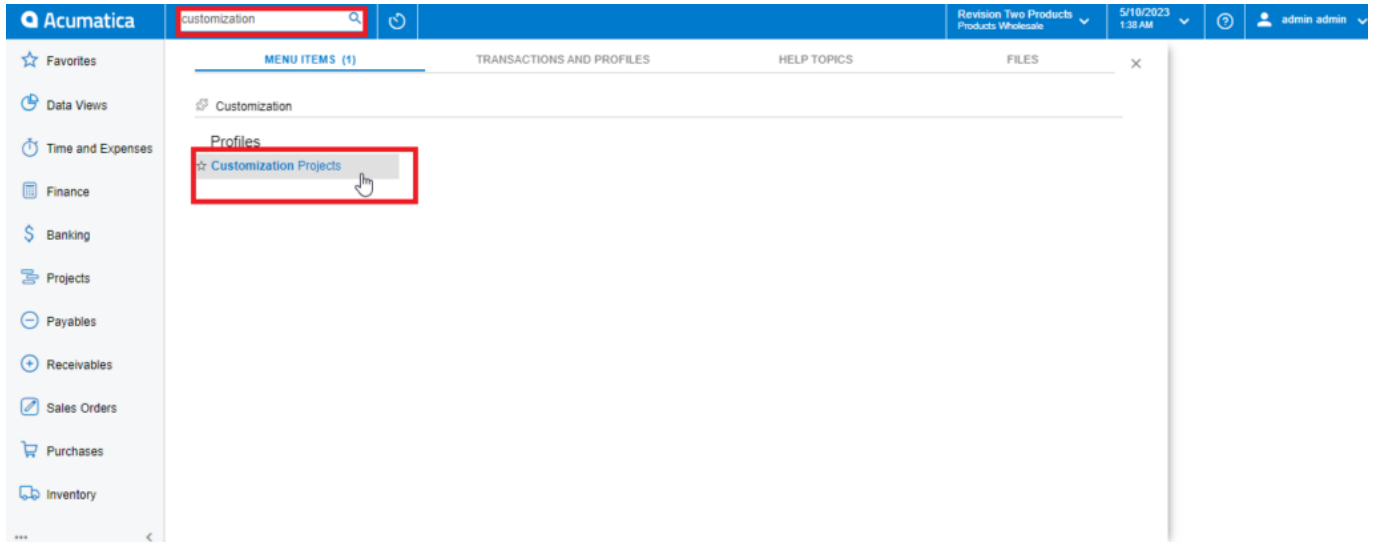

- To verify the published package, navigate to the left menu in Acumatica ERP, click **[Customization]** and select **[Customization Projects].**

Customization Projects

[OR]

Type the keyword **[Customization Project]** in the universal search bar.

Customization Projects

- The application directs you to a Customization Projects screen, where you can review and validate the published packages.
