PayPal Payflow Pro Plugin

Scope

The primary goals of PayPal Payflow extension in Acumatica ERP are as follows:

1. Customizable checkout experience tailored to your business, allowing flexibility in language, layout, page sequence, and PCI compliance options.
2. Ability to process credit card payments.
3. Support for PayPal Payflow Pro, including level 2 and level 3 purchasing cards.
4. Seamless integration with Adobe (Magento) Commerce, Big Commerce, and Acumatica platforms.
