

# Account ID

- To view **[Account ID]** you need to login into Channel Advisor Connector.
- Click on **[Developer Authorization]** under **[Account]** in Rithum Connector. You will be redirected to a new screen.

The screenshot shows the Channel Advisor Connector dashboard for a user named 'Kensium2'. The 'Account' menu is open, and the 'Developer Authorizations' option is highlighted with a red box. The dashboard includes sections for 'GMV Trend by Channel', 'Account Messages', and 'ChannelAdvisor Blogs'.

Click on Developer Authorization

- Your name will appear in the **[Developer name column]** after being extracted from your add mail ID.
- You can copy the **[Account ID]** that appears next to your name in **[Developer Authorizations]** and paste it in **[Account ID]** field in Acumatica.

## Developer Authorizations
