

Configuration For Sales Orders

- ✖
- To Configure the [Configuration for Sales Orders] settings for sales orders, you need to enter the field details in Configuration for sales orders which are mandatory.
- Branch: Search for the **[Branch]** from the existing.
- Default Warehouse for Non-FBA Orders: Search for the **[warehouse]** from the existing.
- Customer Orders: Search for the **[Customer Orders]** from the existing.
 - Default Acumatica ShipVia
 - Default Shipping Terms
 - The following check boxes are not mandatory to enable.
 - **[Mark Order as Exported in Rithum Connector after successful import],**
- If this checkbox is checked, a new field will be immediately added to the column in the channel advisor Connector, when the order is exported from Acumatica to the channel advisor Connector and marks as successfully imported.
 - **[Mark Order as pending Shipment in Rithum Connector after successful in..].**
- If this checkbox is checked, the channel advisor Connector will update with the new status of the pending shipment.

The screenshot shows the Acumatica configuration interface. The left sidebar contains navigation options like Time and Expenses, Finance, Banking, Payables, Receivables, Sales Orders, ChannelAdvisor, Purchases, Inventory, Configuration, Dashboards, and Kensium License. The main content area is titled 'Acumatica' and includes a search bar and user information. The configuration is divided into 'GENERAL SETTINGS', 'MARKETPLACES SETTINGS', and 'API SETTINGS'. The 'CONFIGURATION FOR SALES ORDERS' section is highlighted with a red box and contains the following fields and checkboxes:

- Entity Usage Type: [Dropdown]
- Branch: [Dropdown]
- Default Warehouse for Non-FBA Orders: [Dropdown]
- Customer Class: [Dropdown]
- Default Order Type: [Dropdown]
- Default Acumatica ShipVia: [Dropdown]
- Default Shipping Terms: [Dropdown]
- ChannelAdvisor Payment Status: [Dropdown]
- Number of days to go back for Order Import: [Dropdown]
- Mark Order as Exported in Channel Advisor after successful Import
- Mark Order as Pending Shipment in Channel Advisor after successful Im...

Below this section, there is a 'CONFIGURATION FOR FBA ORDERS' section with a checkbox for 'Import FBA orders as IN' which is also checked.
