

# SellerCloud Connector Package

The first step to install the feature is to run the latest version of the Kensium commerce Framework, SellerCloud Connector.

## Steps to Install

- You need to Save the .zip file of the **[SellerCloud Connector]** , **[KCF]** package to the local hard drive.
- Go to the left navigation panel in Acumatica and choose **[More Items]**.
- Click on **[Customization]**.

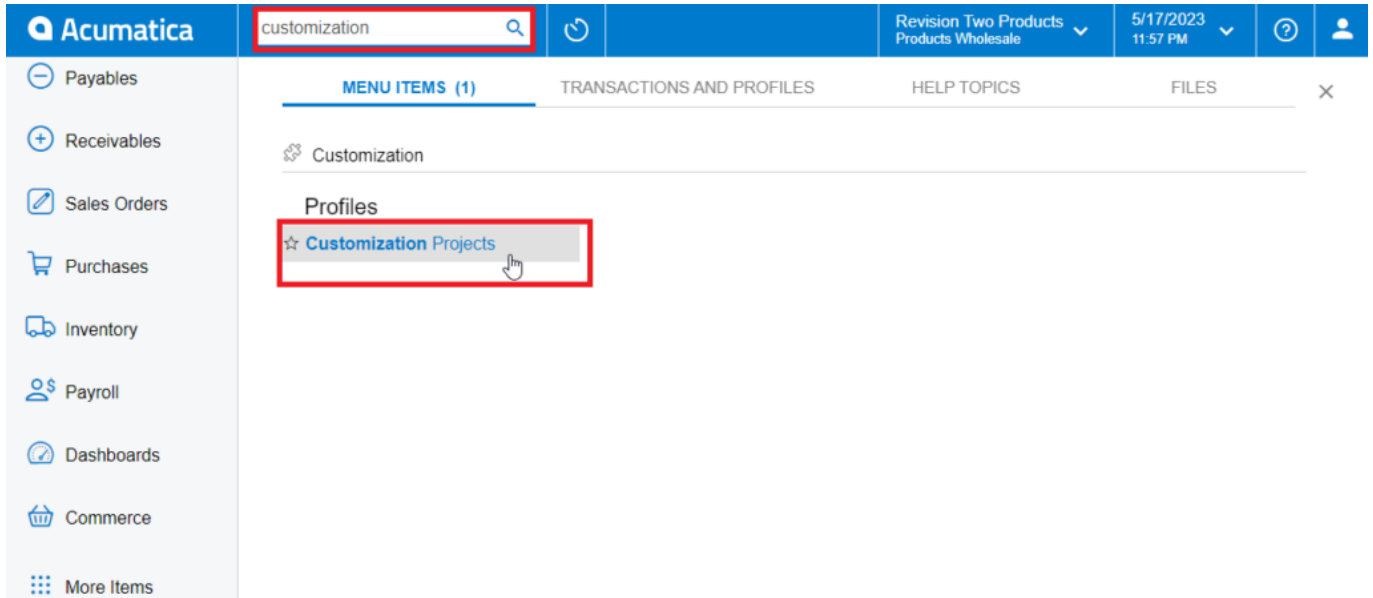

Customization Projects

**[OR]**

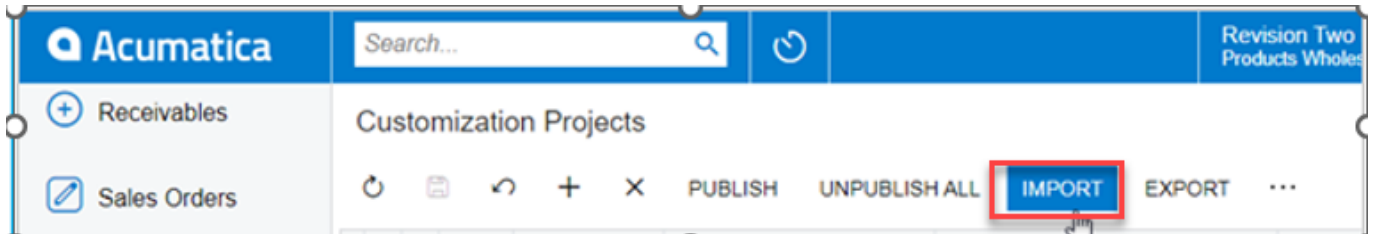

- You need to type the keyword **[Customization]** in the Global Search Bar.

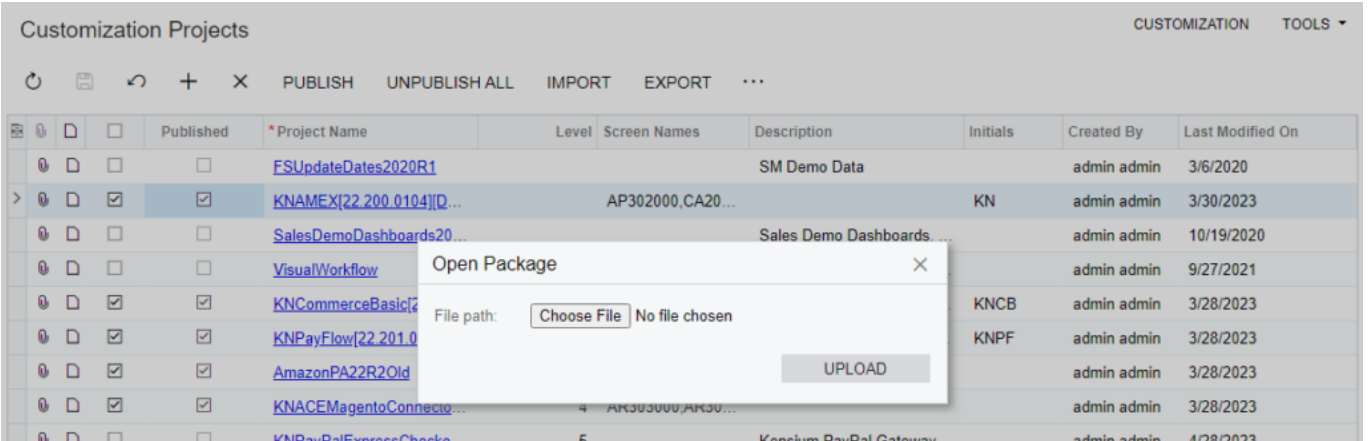

Customization Projects through the search bar

- Click on **[Customization Projects]**.
- Click on the **[Import]** button.

*Import product package*

- Select the SellerCloud Connector Package and KCF Package .zip file from a local folder.
- Click on **[Upload]**.

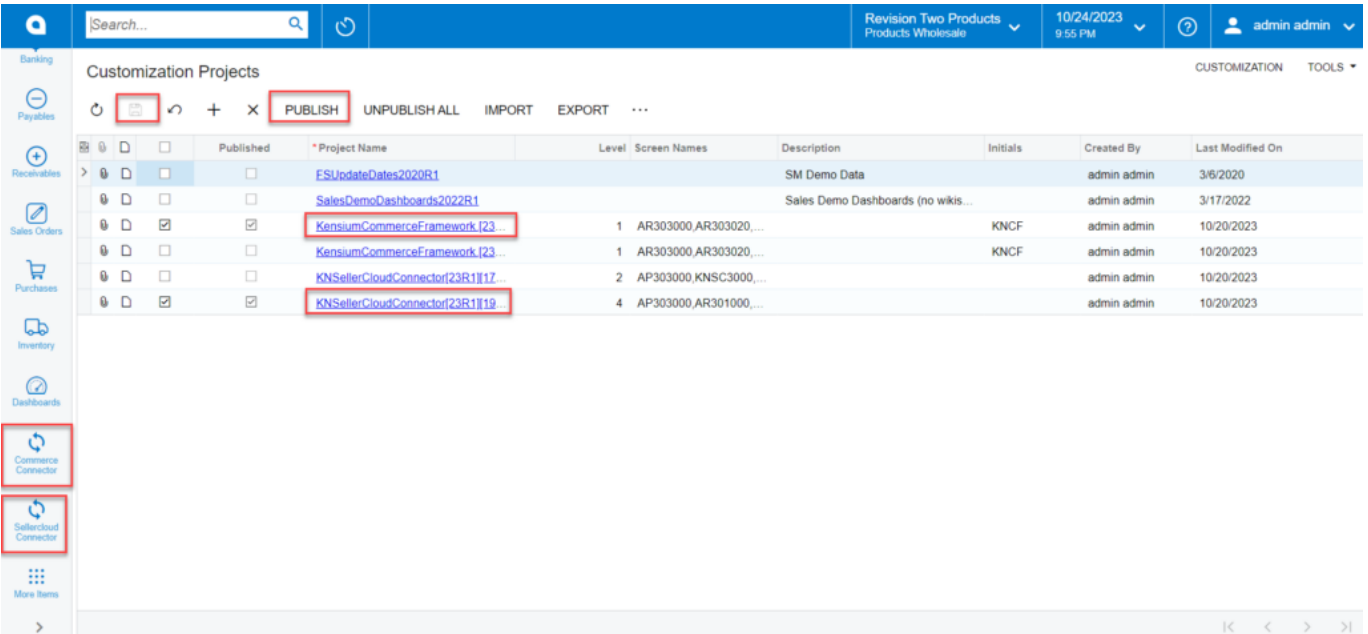

The screenshot shows the 'Customization Projects' interface. At the top, there are navigation buttons: PUBLISH, UNPUBLISH ALL, IMPORT, EXPORT, and a menu icon. Below this is a table with columns: Published, Project Name, Level, Screen Names, Description, Initials, Created By, and Last Modified On. An 'Open Package' dialog box is open in the foreground, showing a 'File path:' field with a 'Choose File' button and the text 'No file chosen'. An 'UPLOAD' button is visible at the bottom right of the dialog.

### Upload product package from local desktop

- The file name will appear in the **[Project Name]** column.
- You need to Specify the level at which the package needs to be released below the Customization projects.
- Kensium's Commerce Framework
- SellerCloud Connector
- You need to toggle the box on publishing.

The screenshot shows the 'Customization Projects' interface with several elements highlighted in red boxes. The 'PUBLISH' button is highlighted in the top navigation bar. In the table, the project names 'KensiumCommerceFramework [23...' and 'KNSellerCloudConnector[23R1][17...' are highlighted. In the left sidebar, the 'Commerce Connector' and 'Sellercloud Connector' icons are highlighted.

Published	Project Name	Level	Screen Names	Description	Initials	Created By	Last Modified On
