The screenshot displays the Acumatica user interface. At the top, there is a navigation bar with the Acumatica logo, a search bar, and user information (Revision: Two Products, Products Wholesale, Date: 12/14/2023 11:10 PM, User: admin admin). On the left, a sidebar lists various modules: Favorites, Data Views, Time and Expenses, Finance, Banking, Payables, Receivables, Sales Orders, Purchases, Inventory, Dashboards, and Commerce Connector. The main content area is titled 'Logs' and includes a search bar and a filter menu. The filter menu is open, showing 'Clear Log' highlighted in red. Below the filter menu is a table with the following columns: Level, Action Type, Message, Endpoint Uri, and Description. The table is currently empty, and a message box states 'No records found. Try to modify parameters above to see records here.' with a close button.
